## PHOENIXVILLE COMMUNITY EDUCATION FOUNDATION

*Taking Education to New Heights*

**Dear Friends of PCEF,**

Thank you for your participation in our *9<sup>th</sup> Annual Winter Fundraiser* supporting education in the Phoenixville area! From the very beginning of this effort, we have been overwhelmed by the hours of hard work invested by our untiring volunteers, the incredible generosity of our sponsors, advertisers and auction donors, and the constant support of everyone within the Phoenixville and PASD communities. The coming together that we have witnessed to make tonight a success, is testimony to the way we all feel about the children of our District.

The money you spend this evening will make an important impact on our ability to address the needs and challenges confronting our children's education. So please enjoy the fabulous food, mingle with the great people of our community, and find your favorite auction items and bid them WAY up! All proceeds support PCEF programs and the students of the Phoenixville Area School District.

Also, take some time tonight to get to know PCEF, our programs, and our volunteers. Visit the new Pay-to-Participate Sports Zone to learn about our Access Access Fund program, watch our video to see your donations at work, and take a look at the information on your table describing all the worthwhile programs PCEF supports. Learn how you can get involved and continue to support these programs by speaking with a PCEF Board Member.

Have a FANTASTIC and FUN night! Thank you again for your continued support of PCEF!

Sincerely,

*Michele Caba & Cindy Stevens*

Winter Fundraiser Co-Chairs

## Welcome Friends of PCEF!

It is hard to believe that the Phoenixville Community Education Foundation is almost 10 years old. I feel so fortunate to have been involved with this organization since its inception. Recently, I came across an old email in which we were excitedly announcing our first year's total contribution of \$6,500, most of which went to fund a few teacher mini grants, Operation FOCUS and one \$500 scholarship to a senior.

We have certainly come a long way!

Since then, the PCEF has contributed over \$1,700,000 towards educational initiatives in our community. The programs we support reach each and every child in our district at some point during their school years.

At this year's event, we wanted to take a moment and celebrate our successes together with all of you. As you look around the room tonight, you will see posters and table tents that tell you a little bit about some of the amazing programs that you help fund. Our "We Did This" Campaign lets you know where your donations are spent each year and some of the achievements of our amazing students.

Speaking of donations, we hope you will take a moment to venture into our new "Pay to Participate Sports Zone" and try your luck at the games of chance and skill!! Also, our live and silent auctions are bigger and better than ever so bid, bid, bid!!

Your commitment to PCEF continues to truly make a positive difference in so many children's lives. On behalf of the PCEF Board of Trustees, we would like to **"Thank You"** for not only making this evening a success, but also for your continued support of this foundation. We hope you have a wonderful evening.

Warmest Regards,

Joe Little  
President  
PCEF

# Enhancing Your Auction Experience...

## ***FUND-A-CAUSE Teacher Mini-Grants***

PCEF annually allots \$7000 to support innovative classroom activities from all levels of education. Teachers can write for mini-grants to help cover the cost of items they need to enhance their lessons, or to provide needed items for their classroom. Tonight, we are hoping to fully fund this program with your generous donations. During this portion of the evening, we will be asking you to donate any amount with which you are comfortable. Raise your bid card and shout out your donation- the teachers and the kids will be so thankful!

## ***PAY-TO-PARTICIPATE SPORTS ZONE***

In June of 2011, the school board enacted a pay-to-participate fee for all clubs, activities and sports. PCEF has created a scholarship fund to provide assistance in paying these fees for economically disadvantaged students. Our new Sports Zone is a fun area where you can play games of chance and athletic prowess... but you'll have to "Pay-to-Participate"! Challenge your friends to basketball- the person with the highest score of the night wins a special prize, and everyone who plays is entered into a special basket raffle. You can also try for a hole-in-one at our golf game and be eligible to win a golf store gift card. Spin our 'Phantom Fun Wheel' and try to win some cash!

This area also houses our sports memorabilia auction tables, so please be sure to check those out and bid on your favorites. The Sports Zone will close at 8:45 p.m., and the auction tables will be moved into the main ballroom, to be closed at a later time.

## ***THE GIVING TREE***

PCEF has many great items up for auction tonight – but what happens if you get out-bid on your favorite picks, or you can't decide which item(s) to purchase? Then please be sure to check out our Giving Tree.

The Giving Tree offers you a way to support PCEF's Mission, by directly sponsoring a specific need in one or more of our schools. We recognize that many of our supporters receive a great deal of satisfaction from knowing exactly how their donation will be used. So we asked key people in the school district to develop a "wish list" of ideas and programs that need funding, and have written a brief description of that 'wish' on each apple, along with the donation amount.

If you see a wish that interests you, you are encouraged to pick an apple and write your bid number on the back and then place it in the basket. PCEF will collect the sponsorship cost of that item tonight and pass the funds directly to the club or program you have selected. You will know exactly how your contribution will assist the children of the PASD area. So while you are browsing our silent auction tables, don't forget to stop by the Giving Tree display.

***Enjoy your night!***
