

Scholarships

PCEF administered over \$27,000 in scholarships this year to graduating seniors.

Olweus Program

900 PAMS students participated in this anti-bullying, positive-behavior program.

Crescendo

You helped Barkley students learn violin! The Crescendo program provides free violin lessons after school.

Phoenixville Community Education Foundation

2019-2020 Impact Report

\$240,500
Given Back To
Our Community

Kindergarten Play-Based Learning

Kindergarten staff needed to enrich learning through play with our youngest students. You provided materials that encourage language skills, develop social and emotional skills, and foster creativity and imagination.

Destinations With Direction

DWD helps high-potential high school students navigate the process of applying to and being successful in college. Most students will be the first in their family to attend college. Students learn time management, refine essays, and visit colleges.

AFJrROTC

This program gave 60 students the opportunity to develop leadership skills, learn discipline, and serve their community. You provided uniforms, color guard supplies and support for drills to these dedicated students.

Together We Can, Together We Will, Together We Are Phoenixville

When the COVID crisis happened, our donors responded quickly to help provide funds for computers and technology, so that all students could learn remotely. You also helped by expanding the Phantom Food Pack program to feed more food-insecure students each weekend and over the summer.

Our Together We Can fund delivered all of these things to students in our district. Thanks to you, **TOGETHER** we are invested in the future of our community!

A Message From Our Board President

Dear friends:
This most unusual year has highlighted the deep desire in our community to provide an excellent education for all students. When the COVID-19 crisis closed schools abruptly, you readily donated to us to help feed hungry students and provide technology so that PASD children could continue to learn from home.

We were overwhelmed by the generosity of our donors and the number of new supporters who came together to help our students in this time of great need. I hope this report helps you see all the good things PCEF is able to do as a result of your gifts to us.

PCEF's reach extends beyond supporting students in need. In these pages you'll see how you gave the gift of music to young violinists, provided generous scholarships, and encouraged play-based learning in kindergarten. In all, PCEF was able to give back \$240,518 in support to the students and teachers of Phoenixville Area School District.

Thank you for being a champion of our students!

Shannon Burgess, O.D.
