Thank you, Donors!
In 2022, your gifts helped us support our mission to enhance and enrich the educational experience of all PASD students so they can learn, grow, and thrive, both inside and outside the classroom. Through your generosity, PCEF funded a wide-range of programming including academic support, mental health and social & emotional education, and financial assistance for students in need.

We look forward to the return of our Phantom Fundraiser on March 3rd. Can't wait to see you there!
